Collège Boris Vian

COUDEKERQUE-BRANCHE

Teams

The 431 pupils of our college are cared for by the following staff:

- Teachers: 40
- Administrative department staff: 3
- Service staff: 12
- supervisory personnel: 5

Equipment

**New technologies:
A digital workspace**

Two computer labs equipped with 30 computers.

A library equipped with 10 computers for documentary research.

Two science and technology rooms equipped with 15 computers each.

At least one computer per classroom, electronic board and videoprojector in several classrooms.

And also a wide range of services to help the parents follow the school life and their child's schooling directly on the Internet on the school website: class grades, agenda, absences, homework, school canteen menus.

Special purpose classrooms:

Classrooms dedicated to biology, chemistry and physics, art and design and musical education.

For physical training

Outdoor sports grounds and an indoor gym.

The school canteen

Over 300 well-balanced meals are prepared on site and served every day: variety, healthy diet, sustainable management.

Projects

- *Comenius projects since 2000.*

-*Erasmus+*

Two programmes of European exchanges (one week or one month mobilities) for pupils in 5th and 4th forms (12 to 14) England, Finland, Greece, Italy, Romania and Spain are our partner countries for the next two years .

For more information, visit: www.erasmusborisvina.com

The school choir

Pupils rehearse several times a week to prepare a great end of year show in association with other local schools. This show is performed in several performing halls in the region.

Espace Rencontre avec l'Œuvre d'Art (Encounter with the work of Art)

The EROA is a space dedicated to the encounter with a work of art.

Every year, an exhibition of works of art by various artists is organized in the school. This enables all the pupils in the school to discover these works and more generally think about art.

Agenda 21

Collège Boris Vian has been one of the ten pilot schools to take part in the project Agenda 21, which is an action plan of the United Nations with regard to sustainable development. The subjects chosen in our school are eco-citizenship and communication.

Activities

Educational support

is offered every day from 4.30 p.m. to 5.30 or 6.00 p.m.

with a wide range of activities: origami, cooking, chess club, badminton, school choir, drama, science club...

The U.N.S.S. (National School Support Union)

Activities monitored by PE teachers are offered every day during lunch hours and on Wednesday afternoons: football, basket-ball, handball, badminton, table tennis, running.

The stamp Club

The English library

offers a great number of books and comics in English
It is run by English teachers.

Pedagogical outings

In accordance with the new school project, each pupil is sure to be offered one outing every year.

Among the past outings: Bruges, Lewarde, Londres, Paris, Canterbury, Technopolis in Belgium, Cap Blanc Nez, Belgique, le Cap Blanc Nez, visits to educational farms...

And also: discovery of the justice system in the Court of Justice in Dunkerque and introduction to the business world...

The specialized sections for children with special needs

The Segpa: section d'enseignement général et professionnel adapté (Sections of Adapted General Education and Professional Training) **is an integrated structure:** it is composed of 4 classes (from the 6th form to the 3rd form-age 11 to 15) whose aim is to restore the teenagers' confidence by offering them a refresher course in the core subjects and a motivating up to date training useful for the choice of a career and for their future employability.

Two workshops allow the pupils to discover two professional fields: **hygiene and nutrition services (HAS)** and **housing**

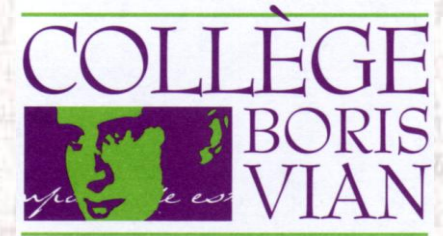

The ULIS: Unité Locale d'Inclusion Scolaire (Local Unit of Inclusive Education)

deals with 12 pupils suffering from disorders of the cognitive functions, partly included in regular classes with children of the same age or individually cared for by external partners.

Our educational assets

- **Bilingual classes:** English and German or English and Arabic from the 6th form (age 11).
- **European section:** English and Spanish for the 4th and 3rd formers (13 to 15)
- **Latin** 5th, 4th and 3rd forms
- **Optional vocational discovery classes** :3 hours in 3rd form.

To ensure attendance and achievement for all the pupils in the school

- Pupils are welcomed from 7.45 a.m to 6.00 p.m.
- Pathways to success for the pupils in 6th and 5th forms.
- School work alternative project allowing the pupils from the 3rd form to find a new **motivation** thanks to an education better adapted to each , with work experience in companies.
- **Personal help and support in different subjects.**
- **Personalized plans for success in education (PPRE).**
- **Educational support:** homework assistance every weekday.
- **Choosing a career: each pupil has a computer file: the ONISEP webfile.**

Our results:

- **success rate** at the diplôme national du brevet (French Certificate of General Education) in 2017: 88,5%
- **success rate** at the certificat de formation générale : 100%
- **Rate of pupils** in General and Technological Upper Secondary School: 90%
